Drake 2019 Season Results

307 pts difference from 1st to 2nd. 63 pts 2nd to 3rd

All points matter: for team and individual.

We do not focus on them as a team, but we watch them. We encourage IMPROVEMENT, not medals.

Improvement comes from hard work and practice, this is what the team is about.

Races give the coaches some numbers to help your rider. They are just one of our tools.
